Would you be able to get this work done without Mile High Youth Corps? Yes No

MHYC is pleased to partner with EMNA in helping give back to our neighborhood. After your referral is received you will be contacted by Erin Sinnott to schedule a home visit to discuss the details of your project. Please be advised of the following guidelines:

1. All work will be outdoors and no work will be performed inside the home.
2. If you have a project that requires extra supplies (i.e. fence painting) you will need to have those supplies on hand. MHYC is not responsible for bringing supplies, though we can supply some tools (rakes, ladders, etc.).
3. All work must be within MHYC Safety Guidelines; no work requiring a building permit will be performed.
4. **The resident must be present** during all work performed and must sign a waiver of responsibility.
